EDUCATION

Study

I finished 5 courses UI/UX Designer
2020 - 2021

1. <https://www.udemy.com/course/learn-figma/>
(Caleb Kingston)
2. <https://www.udemy.com/course/learn-figma-user-interface-design-essentials-uiux-design/>
(Arash Ahadzadeh)
3. <https://www.udemy.com/course/complete-web-designer-mobile-designer-zero-to-mastery/> (Andrei Neagoie, Daniel Schifano ,)
4. <https://www.udemy.com/course/freelance-web-design-from-design-to-development-to-making-money/> (Vako Shvili)
5. <https://thedesignteam.com/>

At the moment I am working and practicing in Midnight IT Company, and i am looking for a job, to prove my skills i can give the links in figma and you will see the whole design process:

1. Sketch
2. Userflow
3. Sitemaps
4. Wireframe
5. Prototype
6. Design Specification
7. Design System
